WESTERN CLASSIFICATION.

class of freight. Last fall the western lines changed the classification of ag-ricultural implements from second to third class, which had the effect of materially lowering the rate. This was materially lowering the rate. This was done to help the farmers in the west, who had suffered by drouths and were unable to pay high rates of freight on necessary fall and spring purchases of agricultural implements. The low rate is to expire July 1, and the implement manufacturers and dealers wanted the time extended, which the railroads refused to do, on the ground that the export this wear promise to be good and crops this year promise to be good and that the farmers will be able to pay

that the farmers will be able to pay the old freight rates.

The application of the agricultural implement and vehicle manufacturers was signed by 127 members of the as-sociation.

MEETING OF THE EDUCATORS. A Proposition in Which Utah Is Di-

rectly Interested. Chicago, May 13.-A proposition was ubmitted to a vote of the western roads

today regarding the convention of the National Educational society, which is lecting funds from business men and others in Havana. They only collected \$20 in gold and \$104 in silver in two days. Several suspicious looking vessels are reported off Pinar del Rio and Santiago. It is supposed they are landing expeditions and arms.

Rebels Defeated.

Havana, May 13.—The Spanish troops have defeated the band of rebels in San Lorenzo that was led by Pedro Monoz, at Moscanos. The troops captured a number of horses, arms, ammunition, etc., belonging to the rebels. There has been severe fighting with the band led by General Miro in Camanaguan.

There has been fighting between the Spanish troops and the rebels near Baracoa, but no details of the engagement have been received here. The troops at Palma de Soriano killed Pablo Ruega, one of the rebel chiefs.

Philadelphia, May 13.—The Spanish governous firms and it agreed, moreover, to make certain small concessions to the water of hauling its. expessive at all. It agreed, moreover, to make certain small concessions to the other roads in the panner of hauling its excursions to Colorido, which effectually settled the trouble and there will now be no sitting of western roads on the summer tourist rates.

Lists Approved.

Washington, May IR.—Secretary Hoke, as is the case in other cities.

Smith has approved list 14 of the ern Pacific railroad for 1,850,550 arres land in the state of Washington and li 12 of the Oregon and California Railway for 16,942 acres in Oregon.
